**THANK YOU!**

**THANK YOU!**

**THANK YOU!**

**During the years 2009 to 2019 the Village, through events organised by the Broughton Hackett Social Committee (BHSC), raised money for the following;**

**St Leonard's Church                      £5,700**

**Midlands Air Ambulance                £2,100**

**St Richard's Hospice                    £1,525**

**Acorns Children's Hospice            £1,400**

**In addition, money was raised for:**

**St Richard's Hospice                    £ 767**

**South Worcestershire Centre for  
Diabetes and Metabolism            £ 700**

**Thank you to all those villagers, families and friends who have supported the various events organised by the Committee.**

**Remember the Quiz/Fish and Chip Supper evenings, Harvest Suppers, outdoor summer events, Christmas gatherings and of course the Coffee mornings.**

**Village life is changing with many more demands on leisure time. Two long serving members of the Committee are standing down which means that there is no longer a viable committee. With regret a decision has been taken, therefore, to fold the Broughton Hackett Social Committee. A final settlement of monies in the bank account will be issued in due course.**
