

28 June 2019

Mr R Clark
Chairman to Broughton Hackett Parish Meeting
Via email – marlowclark@btinternet.com

Dear Roger

Outcome of your New Homes Bonus proposals

Thank you for submitting a New Homes Bonus proposal for the safer traffic speeds, a resting place and saving lives projects. Our Communities and Funding Advisory Panel considered your proposal at its meeting on 28 June 2019.

I'm pleased to inform you that we have approved £6,640 of your New Homes Bonus as follows

- **£3,940 towards the purchase and installation of a speed sign**
- **£650 towards a bench and ground slab and**
- **£2,050 towards a VAS plus cabinet.**

Please contact me when you are ready to spend the money and on receipt of invoices we will pay the full amount into Broughton Hackett Parish Meeting's bank account. This usually takes a few days.

Our approval of your New Homes Bonus funding does not mean that we have given any required consents/permissions for your project. For example, you will still need to obtain any necessary planning, building or highways permissions. You will also need to satisfy yourself that your projects adhere to proper health and safety and procurement practices.

If you are doing any publicity associated with these projects, please can you acknowledge that Wychavon District Council made the New Homes Bonus allocations to you. Let me know if you need a copy of our logo for this purpose.

I will contact you a few months after the money has gone into your account to find out how your projects are progressing. I may also ask you for a few photos and quotes, which we can use in publicity about the New Homes Bonus. In the meantime if you have any questions, please contact me.

Yours sincerely

Tracy Perkins
Localism and Communities Officer
